DAILY SCHEDULE

WHAT YOU CAN EXPECT

Each day starts with an hour of pranayama, meditation, and mantra chanting, followed by a Vinyasa flow class.

Late mornings are dedicated to a deep exploration of asanas, focusing on alignment, adjustments, and teaching methodology.

In the early afternoon, you'll delve into the theoretical aspects of asanas, alternating between studying yoga **philosophy** and **anatomy** on different days.

Afternoon sessions are centered around restorative yoga styles like Yin, Hatha, and Nidra, as well as specialized workshops. **Our approach goes beyond the traditional; we maintain high teaching standards while ensuring our classes are engaging and fun.**

From the first day, you'll begin practicing by teaching a few minutes of a Vinyasa lesson, gradually building your confidence to lead a full class by the end of the course.

You will have one day off each week, usually Sundays, to relax and enjoy your surroundings.

**The final week, you will conduct a 30-minute teaching practicum.*

*Likewise, you will also participate as a student while your peers lead their sessions.**
