6:30–8:30 AM

MYSORE ASHTANGA

The **Mysore Ashtanga session** offers a traditional and deeply personal approach to **Ashtanga Vinyasa Yoga**.

In this self-paced practice, students move through the **Primary Series** at their own rhythm, while receiving **individual guidance and hands-on adjustments** from the teacher.

Each session cultivates **discipline, awareness, and independence**, allowing you to deepen your **self-practice** while honoring your body's unique flow. The teacher supports each student's progression with **personalized instruction**, ensuring a safe and steady evolution.

Practicing in silence alongside others creates a shared energy of **focus and devotion**, transforming the Mysore room into a space of **growth, strength, and inner stillness**.

8:30 – 9:00 AM

PRANAYAMA

Prana means *breath* and **Yama** means *control* — together, they form the foundation of **energy flow** in yogic practice.

Each morning begins with **Pranayama**, offering the opportunity to **ground, center**, and set your **intention and energy** for the day ahead. Through mindful breathing, you'll cultivate **awareness of body and mind**, awakening inner stillness and vitality.
